Nexo Corporation - Privacy Policy

Last updated: 01.04.2026

This Privacy Policy explains how Nexo Corporation collects, uses, and protects your information during the verification process.

1. Information We Collect

We may collect the following data:

- Discord account information (such as username and ID)
- Roblox account information (such as username and ID)
- Technical data required to complete the verification process

We do **not** collect passwords or sensitive login credentials.

2. How We Use Your Information

Your data is used solely to:

- Verify your identity
- Link your Discord and Roblox accounts
- Provide access to server features after verification

We do not sell, trade, or share your data with third parties.

3. Data Storage

Your information may be securely stored in a database for verification purposes.

We take reasonable steps to protect your data from unauthorized access.

4. Data Removal

You may request removal of your data at any time by contacting the server staff.

5. Security

We implement basic security measures to protect your information, but no system is 100% secure.

6. Changes to This Policy

We may update this Privacy Policy at any time. Continued use of the service means you accept any changes.

7. Contact

If you have any questions, please contact the server administration.
